- ◆ Controlling of dedicated areas
- ◆ Optimizing Personnel Cost planning for Forecast Events

Who you are

You're someone who wants to influence your own development. You're looking for a company where you have the opportunity to pursue your interests across functions and geographies. Where a job title is not considered the final definition of who you are, but the starting point.

You are currently enrolled in a Master degree in Finance, Economics, Business Administration or equivalent and display a dynamic, dedicated and effective work attitude and a high degree of curiosity associated with a structured mind.

Furthermore you are/have:

- ◆ Self-driven, able to work under pressure and a strong team player

- ◆ Excellent analytical skills, a strong ability in organizing complex data and vivid interest in Finance
- ◆ Strong communication and interpersonal/networking skills, as well as the energy and motivation to succeed in a dynamic and challenging environment
- ◆ Fluency in English is a must
- ◆ Proficient in Microsoft Office applications, especially in Excel
- ◆ Experience with Business Warehouse reporting applications and SAP is preferred

The preferred start date of the internship is December 2016 or January 2017 for 6 months. Applications need to include a CV and a motivation letter, including your earliest availability.

Due to regulations non-EU/EFTA citizens must provide a certificate from the university stating that an internship is mandatory as part of the application documents.
